## The Pinery Country Club - Current Local Rules

### Power Lines

If a ball strikes an overhead power line during play, the stroke is cancelled and the player must play a ball as nearly as possible at the spot from which the original ball was played in accordance with rule 20-5.

**Note:** The actual towers and poles supporting the power lines are considered obstructions. Any ball striking the actual towers or poles supporting such lines may **NOT** be replayed. No "line of flight" relief from poles or towers is allowed.

Out of Bounds is designated by white stakes, Pinery roads or property border fences.

### Out of Bounds on #9 Mountain

Cart path around the green (between the white stakes on the left side of the lake and the right side of the lake between Mountain #1 tee boxes) and all area beyond it is Out of Bounds.

### Drop Area on #9 Mountain

A drop area has been provided on #9 of the Mountain course at the end of the fairway on the left. If a ball is in or it is known or virtually certain that a ball that has not been found is in the water hazard (you may specify location ie: short of the green), the player may: Proceed under Rules 26; or as an additional option, drop a ball, under penalty of one stroke, in the drop area.

### Sandy Waste Area in Front of #12 Green (Valley #3)

**This area is not a bunker**, it is a waste area. This is not a hazard; so you may take practice swings, remove loose impediments, and ground your club in this area.

### Drop Area on #8 Lake

A drop area has been provided on #8 of the Lake course at the end of the foot bridge. Players may elect to drop a ball within the drop area circle at any time after their tee shot and incur a 1 stroke penalty in addition to any strokes already taken.

**IF A PLAYER, HIS PARTNER, HIS EQUIPMENT, OPPONENT, ANOTHER PLAYER OR ANY CADDIE IN STROKE PLAY ACCIDENTALLY MOVES THE PLAYER'S BALL OR BALL MARKER ON THE PUTTING GREEN THERE IS NO PENALTY AND THE BALL MUST BE REPLACED ON ITS ORIGINAL SPOT**

### Distance Measuring Devices

During course of play at The Pinery, a player may obtain distance information by using a device that measures distance only. However, if during a stipulated round, a player uses a distance-measuring device having additional functionality that can gauge or measure other conditions that might affect his play (e.g., elevation change, wind-speed, etc.), the player is in breach of Rule 14-3, regardless of whether any such additional functions are actually used.

### Embedded Ball Rule Revision

Whereas Rule 25-2 states an embedded ball can only be in any closely-mown areas through the green, The Pinery's local rule revision is to include all locations through the green.

### Practice Before or Between Stipulated Rounds

Rule 7-1b that prohibits practice on the course before or between stipulated rounds in stroke play competition is waived due to the nature of member play at the club including conflicts that could arise with "summer-long" events and other functions on the golf schedule.

### Listening to Music During Stipulated Round

Decision 14-3/17 (under rule 14-3) that prohibits a player from listening to music or broadcast during a stipulated round will be waived during course of play at The Pinery. Players will be allowed to listen to music or play it from their cart. However, they must respect the wishes and the privacy of the other players in the group and on the course. If any other player(s) in the group do not wish to hear the music, it should be turned down or off. Any dispute in this matter should be brought to the committee.

### Addition to Rule 27 (Ball Lost or Out of Bounds)

Any ball which crosses a public road defined as out of bounds and comes to rest beyond that road, even though it may lie on another part of the course, is considered out of bounds.

### Rules Questions:

If you are unsure of the correct ruling you can call the golf shop at 303-841-2850 for assistance.

-or-

In Match Play, make a decision within your match. All decisions made during a match are final.

In Stroke Play, play 2 balls under both rulings. After the round, you must consult the rules committee to determine which ruling is correct.
